Horrible Harry Cracks the Code English Edition eBook

Horrible Harry Cracks the code is at a "guided reading level L". It's about a boy in a school setting and it is written from the perspective of Harry's best friend Doug. Since it was written from elementary school boy's perspective it was very helpful in guiding the struggling reader to make text-to-self and text-world connections. The text-connections were very helpful in drawing the boy I was working with into the story and he was able to improve his ability to use summarizing techniques.
