"The Prince" is a political essay, written by Machiavelli, in which he lays down his views on how a prince should gain power and keep it at all costs. His views are quite shocking at times but you have to bear in mind the unstable and violent circumstances in which he was writing it - the Italy he was living in is not the Italy we know today. So to survive in that age, you had to watch your back at all times, recognise your enemies, court your friends and build up your armies.
