The Radio Sky and How to Observe It - UK Radio Astronomy ...
The Radio Sky and How to Observe It. By Jeff Lashley. We have learned a great deal about our universe not only by looking at the sky through optical telescopes but also by listening to it! Although in the past most of the great discoveries have been made by professional radio astronomers using large radio telescopes built for institutions, today even amateurs can build and use small radio

The Radio Sky and How to Observe It - Astronomy Now

Simple projects involving a wood and coil radio antenna, coupled to a PC soundcard, could be tackled by primary school children they are so well laid out and explained, and those with a modicum of soldering knowledge and maybe an old Sky satellite dish could really start to do some serious astronomy, such is the breadth of the book's coverage. I almost leapt with joy when I saw he had a **BBC TV and Radio channel numbers on Sky in England EPG No ...**

* If you have a Sky set-top box but don't have an active viewing card you will receive BBC One London on channel 101. This is because the receiver has no way of establishing where in the UK
